

2020-2021 MHP Orientation Packet Checklist

Welcome, Phantom!

We cannot wait to have you back on campus with us! In the meantime, thank you for working with us through this modified and virtual Orientation process. This packet will coincide with our MHP Orientation Video (*see insert with video link*). Please view this video as you go through your packet in order to help answer your questions along the way. The packet will go through the documents in the order of the video. *We encourage you to place all documents you need to sign and return to MHP on the RIGHT HAND side of your folder.* Then on **July 28th or 29th between 5-7 p.m.**, please return these documents in our drive-through. We hope this will be a smooth process despite the circumstances, and, as always, if you have any questions, please feel free to call our front office at 520-836-9383.
