Technology Expectations

- All students must have their camera turned on during their Google Meet class time with their teacher.
- Students using a personal device must download the GoGuardian extension so that testing and other classroom activities can be monitored.
- If you encounter issues with your school device, please contact Mr. Davenport.

PLP Login Information

The name of the learning platform for our virtual students is PLP (Personalize Learning Platform). Here is the login information:

- Website: mhprep.schoolsplp.com
- Username: Lastname and Student ID (*Smith123456*)
- Password: MH and Student ID (*MH123456*)

Parents can login to view their students work with the same login credentials and clicking the “Log in as Parent box”

Is this the same as CBE (Computer Based Education)?

For those returning students who have taken a CBE class before, these classes are NOT CBE classes! Yes, they will use the same platform (PLP) as CBE but here are two differences:

- There are more assignments to complete than what is on the PLP class. (i.e. weekly checkins, Unit Reviews, etc.)
- These are not self-paced, they are teacher-paced.
